To Whom It May Concern: Certificate of Compliance

REACH and ROHS Position LETTER

This is to certify that Alliance Memory Lead-Free products meet the requirement of the ROHS-II Directive 2011/65/EU published on 01 July 2011 without exceptions. Alliance Memory Lead-Free semiconductor products are designated with "N" or "G1" in the marketing part number.

Alliance Memory products do not contain any Substances of Very High Concern (SVHC) in concentration above 0.1% (w/w) as listed by the European Chemicals Agency (ECHA) under the provisions of Regulation (EC) No. 1907/2006 of the European Parliament and of the council concerning the Registration, Evaluation, Authorization, and Restriction of Chemicals (REACH) per the ECHA's SVHC candidate list published on 20th June' 2016 and previous updates. Alliance Memory will disclose this information by package to the customer request.

Alliance Memory is an article producer (Semiconductor). Alliance Memory does not manufacture in Europe and does not import any chemicals into Europe. Alliance memory is not a substance or preparation producer per REACH definitions.
